## Biology Transfer Checklist

### *Iowa Valley Community College (IVCC)*

Our transfer checklist is designed to assist students who wish to transfer courses from IVCC to Iowa State University and major in Biology. Students need not complete everything on this list prior to transferring, but the courses suggested will fulfill our degree requirements. We recommend discussing our checklist with an advisor in our student services office, as other courses may also apply and could be more appropriate for a particular career.

### ***Biology Major Requirements***
